more than 28 years .....	step 15.

(4) At the same time as rates of basic pay are increased for a year under section 5303 of title 5, the Secretary shall increase the amount of base pay payable under this subsection for that year by a percentage equal to the percentage by which rates of basic pay are increased under such section for that year.

(c) **MARKET PAY.**—One element of pay for physicians and dentists shall be market pay. Market pay shall meet the following requirements:

(1) Each physician and dentist is eligible for market pay.

(2) Market pay shall consist of pay intended to reflect the recruitment and retention needs for the specialty or assignment (as defined by the Secretary) of a particular physician or dentist in a facility of the Department of Veterans Affairs.

(3) The annual amount of the market pay payable to a physician or dentist shall be determined by the Secretary on a case-by-case basis.

(4)(A) In determining the amount of market pay for physicians or dentists, the Secretary shall consult two or more national surveys of pay for physicians or dentists, as applicable, whether prepared by private, public, or quasi-public entities in order to make a general assessment of the range of pays payable to physicians or dentists, as applicable.

(B)(i) In determining the amount of the market pay for a particular physician or dentist under this subsection, and in determining a tier (if any) to apply to a physician or dentist under subsection (e)(1)(B), the Secretary shall consult with and consider the recommendations of an appropriate panel or board composed of physicians or dentists (as applicable).

(ii) A physician or dentist may not be a member of the panel or board that makes recommendations under clause (i) with respect to the market pay of such physician or dentist, as the case may be.

(iii) The Secretary should, to the extent practicable, ensure that a panel or board consulted under this subparagraph includes physicians or dentists (as applicable) who are practicing clinicians and who do not hold management positions in the medical facility of the Department at which the physician or dentist subject to the consultation is employed.

(5) The determination of the amount of market pay of a physician or dentist shall take into account—

(A) the level of experience of the physician or dentist in the specialty or assignment of the physician or dentist;

(B) the need for the specialty or assignment of the physician or dentist at the medical facility of the Department concerned;

(C) the health care labor market for the specialty or assignment of the physician or dentist, which may cover any geographic area the Secretary considers appropriate for the specialty or assignment;

(D) the board certifications, if any, of the physician or dentist;

(E) the prior experience, if any, of the physician or dentist as an employee of the Veterans Health Administration; and

(F) such other considerations as the Secretary considers appropriate.

(6) The amount of market pay of a physician or dentist shall be evaluated by the Secretary not less often than once every 24 months. The amount of market pay may be adjusted as the result of an evaluation under this paragraph. A physician or dentist whose market pay is evaluated under this paragraph shall receive written notice of the results of such evaluation in accordance with procedures prescribed under section 7433 of this title.

(7) No adjustment of the amount of market pay of a physician or dentist under paragraph

(6) may result in a reduction of the amount of market pay of the physician or dentist while in the same position or assignment at the medical facility of the Department concerned.

(d) **PERFORMANCE PAY.**—(1) One element of pay for physicians and dentists shall be performance pay.

(2) Performance pay shall be paid to a physician or dentist on the basis of the physician's or dentist's achievement of specific goals and performance objectives prescribed by the Secretary.

(3) The Secretary shall ensure that each physician and dentist of the Department is advised of the specific goals or objectives that are to be measured by the Secretary in determining the eligibility of that physician or dentist for performance pay.

(4) The amount of the performance pay payable to a physician or dentist may vary annually on the basis of individual achievement or attainment of the goals or objectives applicable to the physician or dentist under paragraph (2).

(5) The amount of performance pay payable to a physician or dentist in a fiscal year shall be determined in accordance with regulations prescribed by the Secretary, but may not exceed the lower of—

(A) \$15,000; or

(B) the amount equal to 7.5 percent of the sum of the base pay and the market pay pay-

able to such physician or dentist in that fiscal year.

(6) A failure to meet goals or objectives applicable to a physician or dentist under paragraph (2) may not be the sole basis for an adverse personnel action against that physician or dentist.

(e) REQUIREMENTS AND LIMITATIONS ON TOTAL PAY.—(1)(A) Not less often than once every two years, the Secretary shall prescribe for Department-wide applicability the minimum and maximum amounts of annual pay that may be paid under this section to physicians and the minimum and maximum amounts of annual pay that may be paid under this section to dentists.

(B) The Secretary may prescribe for Department-wide applicability under this paragraph separate minimum and maximum amounts of pay for a specialty or assignment. If the Secretary prescribes separate minimum and maximum amounts for a specialty or assignment, the Secretary may establish up to four tiers of minimum and maximum amounts for such specialty or assignment and prescribe for each tier a minimum amount and a maximum amount that the Secretary determines appropriate for the professional responsibilities, professional achievements, and administrative duties of the physicians or dentists (as the case may be) whose pay is set within that tier.

(C) Amounts prescribed under this paragraph shall be published in the Federal Register, and shall not take effect until at least 60 days after the date of publication.

(2) Except as provided in paragraph (3) and subject to paragraph (4), the sum of the total amount of the annual rate of base pay payable to a physician or dentist under subsection (b) and the market pay determined for the physician or dentist under subsection (c) may not be less than the minimum amount, nor more than the maximum amount, applicable to specialty or assignment of the physician or dentist under paragraph (1).

(3) The sum of the total amount of the annual rate of base pay payable to a physician or dentist under subsection (b) and the market pay determined for the physician or dentist under subsection (c) may exceed the maximum amount applicable to the specialty or assignment of the physician or dentist under paragraph (1) as a result of an adjustment under paragraph (3) or (4) of subsection (b).

(4) In no case may the total amount of compensation paid to a physician or dentist under this title in any year exceed the amount of annual compensation (excluding expenses) specified in section 102 of title 38.

(f) TREATMENT OF PAY.—Pay under subsections (b) and (c) of this section shall be considered pay for all purposes, including retirement benefits under chapters 83 and 84 of title 5 and other benefits.

(g) ANCILLARY EFFECTS OF DECREASES IN PAY.—(1) A decrease in pay of a physician or dentist resulting from an adjustment in the amount of market pay of the physician or dentist under subsection (c) shall not be treated as an adverse action.

(2) If the pay of a physician or dentist is reduced under this subchapter as a result of an involuntary reassignment in connection with a

disciplinary action taken against the physician or dentist, the involuntary reassignment shall be subject to appeal under subchapter V of this chapter.

(h) DELEGATION OF RESPONSIBILITIES.—The Secretary may delegate to an appropriate officer or employee of the Department any responsibility of the Secretary under subsection (c), (d), or (e) except for the responsibilities of the Secretary under subsection (e)(1).

#### SUBCHAPTER IV—PAY FOR NURSES AND OTHER HEALTH-CARE PERSONNEL

##### § 7451. Nurses and other health-care personnel: competitive pay

(a)(1) It is the purpose of this section to ensure, by a means providing increased responsibility and authority to directors of Department health-care facilities, that the rates of basic pay for health-care personnel positions described in paragraph (2) in each Department health-care facility (including the rates of basic pay of personnel employed in such positions on a part-time basis) are sufficient for that facility to be competitive, on the basis of pay and other employee benefits, with non-Department health-care facilities in the same labor-market area in the recruitment and retention of qualified personnel for those positions.

(2) The health-care personnel positions referred to in paragraph (1) (hereinafter in this section referred to as “covered positions”) are the following:

(A) Registered nurse.

(B) Such positions referred to in paragraphs (1) and (3) of section 7401 of this title (other than the positions of physician, dentist, and registered nurse) as the Secretary may determine upon the recommendation of the Under Secretary for Health.

(3)(A) Except as provided in subparagraph (B), the rates of basic pay for covered positions in the Department shall be established and adjusted in accordance with this section instead of subsection (b)(1) of section 7404 of this title or chapter 53 of title 5.

(B) Under such regulations as the Secretary shall prescribe, the Secretary shall establish and adjust the rates of basic pay for covered positions at the following health-care facilities in order to provide rates of basic pay that enable the Secretary to recruit and retain sufficient numbers of health-care personnel in such positions at those facilities:

(i) The Veterans Memorial Medical Center in the Republic of the Philippines.

(ii) Department of Veterans Affairs health-care facilities located outside the contiguous States, Alaska, and Hawaii.

(4) The Secretary, after receiving the recommendation of the Under Secretary for Health, shall prescribe regulations setting forth criteria and procedures to carry out this section and section 7452 of this title. Requirements in such regulations for directors to provide and maintain documentation of actions taken under this section shall require no more documentation than the minimum essential for responsible administration.

(b) The Secretary shall maintain the five grade levels for nurses employed by the Department under section 7401(1) of this title as specified in the Nurse Schedule in section 7404(b) of this title. The Secretary shall, pursuant to regulations prescribed to carry out this subchapter, establish grades for other covered positions as the Secretary considers appropriate.

(c)(1) For each grade in a covered position, there shall be a range of basic pay. The maximum rate of basic pay for a grade shall be 133

percent of the minimum rate of basic pay for the grade, except that, if the Secretary determines that a higher maximum rate is necessary with respect to any such grade in order to recruit and retain a sufficient number of high-quality health-care personnel, the Secretary may raise the maximum rate of basic pay for that grade to a rate not in excess of 175 percent of the minimum rate of basic pay for the grade. Whenever the Secretary exercises the authority under the preceding sentence to establish the maximum rate of basic pay at a rate in excess of 133 percent of the minimum rate for that grade, the Secretary shall, in the next annual report required by subsection (g),<sup>1</sup> provide justification for doing so to the Committees on Veterans' Affairs of the Senate and House of Representatives.

(2) The maximum rate of basic pay for any grade for a covered position may not exceed the maximum rate of basic pay established for positions in level V of the Executive Schedule under section 5316 of title 5.

(3) The range of basic pay for each such grade shall be divided into equal increments, known as "steps". The Secretary shall prescribe the number of steps. Each grade in a covered position shall have the same number of steps. Rates of pay within a grade may not be established at rates other than whole steps. Any increase (other than an adjustment under subsection (d)) within a grade in the rate of basic pay payable to an employee in a covered position shall be by one or more of such step increments.

(d)(1) Subject to subsection (e), the rates of basic pay for each grade in a covered position shall be adjusted periodically in accordance with this subsection in order to achieve the purposes of this section. Such adjustments shall be made—

(A) whenever there is an adjustment under section 5303 of title 5 in the rates of pay under the General Schedule, with the adjustment under this subsection to have the same effective date and to be by the same percentage as the adjustment in the rates of basic pay under the General Schedule; and

(B) at such additional times as the director of a Department health-care facility, with respect to employees in that grade at that facility, or the Under Secretary for Health, with respect to covered Regional and Central Office employees in that grade, determines.

(2) An adjustment in rates of basic pay under this subsection for a grade shall be carried out by adjusting the amount of the minimum rate of basic pay for that grade in accordance with paragraph (3) and then adjusting the other rates for that grade to conform to the requirements of subsection (c). Except as provided in paragraph (1)(A), such an adjustment in the minimum rate of basic pay for a grade shall be made by the director of a Department health-care facility so as to achieve consistency with the beginning rate of compensation for corresponding health-care professionals in the Bureau of Labor Statistics (BLS) labor-market area of that facility.

(3)(A) In the case of a Department health-care facility located in an area for which there is cur-

rent information, based upon an industry-wage survey by the Bureau of Labor Statistics for that labor market, on compensation for corresponding health-care professionals for the BLS labor-market area of that facility, the director of the facility concerned shall use that information as the basis for making adjustments in rates of pay under this subsection. Whenever the Bureau of Labor Statistics releases the results of a new industry-wage survey for that labor market that includes information on compensation for corresponding health-care professionals, the director of that facility shall determine, not later than 30 days after the results of the survey are released, whether an adjustment in rates of pay for employees at that facility for any covered position is necessary in order to meet the purposes of this section. If the director determines that such an adjustment is necessary, the adjustment, based upon the information determined in the survey, shall take effect on the first day of the first pay period beginning after that determination.

(B) In the case of a Department health-care facility located in an area for which the Bureau of Labor Statistics does not have current information on compensation for corresponding health-care professionals for the labor-market area of that facility for any covered position, the director of that facility shall conduct a survey in accordance with this subparagraph and shall adjust the amount of the minimum rate of basic pay for grades in that covered position at that facility based upon that survey. To the extent practicable, the director shall use third-party industry wage surveys to meet the requirements of the preceding sentence. Any such survey shall be conducted in accordance with regulations prescribed by the Secretary. Those regulations shall be developed in consultation with the Secretary of Labor in order to ensure that the director of a facility collects information that is valid and reliable and is consistent with standards of the Bureau. The survey should be conducted using methodology comparable to that used by the Bureau in making industry-wage surveys except to the extent determined infeasible by the Secretary. To the extent practicable, all surveys conducted pursuant to this subparagraph or subparagraph (A) shall include the collection of salary midpoints, actual salaries, lowest and highest salaries, average salaries, bonuses, incentive pays, differential pays, actual beginning rates of pay, and such other information needed to meet the purpose of this section. Upon conducting a survey under this subparagraph, the director concerned shall determine, not later than 30 days after the date on which the collection of information through the survey is completed or published, whether an adjustment in rates of pay for employees at that facility for any covered position is necessary in order to meet the purposes of this section. If the director determines that such an adjustment is necessary, the adjustment, based upon the information determined in the survey, shall take effect on the first day of the first pay period beginning after that determination.

(C)(i) A director of a Department health-care facility may use data on the compensation paid to certified registered nurse anesthetists who

<sup>1</sup> See References in Text note below.

are employed on a salary basis by entities that provide anesthesia services through certified registered nurse anesthetists in the labor-market area only if the director—

(I) has conducted a survey of compensation for certified registered nurse anesthetists in the local labor-market area of the facility under subparagraph (B);

(II) has used all available administrative authority with regard to collection of survey data; and

(III) makes a determination (under regulations prescribed by the Secretary) that such survey methods are insufficient to permit the adjustments referred to in subparagraph (B) for such nurse anesthetists employed by the facility.

(ii) For the purposes of this subparagraph, certified registered nurse anesthetists who are so employed by such entities shall be deemed to be corresponding health-care professionals to the certified registered nurse anesthetists employed by the facility.

(D) The Under Secretary for Health shall prescribe regulations providing for the adjustment of the rates of basic pay for Regional and Central Office employees in covered positions in order to assure that those rates are sufficient and competitive.

(E) The director of a facility or Under Secretary for Health may not adjust rates of basic pay under this subsection for any pay grade so that the minimum rate of basic pay for that grade is greater than the beginning rates of compensation for corresponding positions at non-Department health-care facilities.

(4) If the director of a Department health-care facility, or the Under Secretary for Health with respect to Regional and Central Office employees, determines, after any survey under paragraph (3)(B) that it is not necessary to adjust the rates of basic pay for employees in a grade of a covered position at that facility in order to carry out the purpose of this section, such an adjustment for employees at that facility in that grade shall not be made.

(5) Information collected by the Department in surveys conducted under this subsection is not subject to disclosure under section 552 of title 5.

(6) In this subsection—

(A) The term “beginning rate of compensation”, with respect to health-care personnel positions in non-Department health-care facilities corresponding to a grade of a covered position, means the sum of—

(i) the minimum rate of pay established for personnel in such positions who have education, training, and experience equivalent or similar to the education, training, and experience required for health-care personnel employed in the same category of Department covered positions; and

(ii) other employee benefits for those positions to the extent that those benefits are reasonably quantifiable.

(B) The term “corresponding”, with respect to health-care personnel positions in non-Department health-care facilities, means those positions for which the education, training,

and experience requirements are equivalent or similar to the education, training, and experience requirements for health-care personnel positions in Department health-care facilities.

(e)(1) An adjustment in a rate of basic pay under subsection (d) may not reduce the rate of basic pay applicable to any grade of a covered position.

(2) The director of a Department health-care facility, in determining whether to carry out a wage survey under subsection (d)(3) with respect to rates of basic pay for a grade of a covered position, may not consider as a factor in such determination the absence of a current recruitment or retention problem for personnel in that grade of that position. The director shall make such a determination based upon whether, in accordance with criteria established by the Secretary, there is a significant pay-related staffing problem at that facility in any grade for a position. If the director determines that there is such a problem, or that such a problem is likely to exist in the near future, the Director shall provide for a wage survey in accordance with subsection (d)(3).

(3) The Under Secretary for Health may, to the extent necessary to carry out the purposes of subsection (d), modify any determination made by the director of a Department health-care facility with respect to adjusting the rates of basic pay applicable to covered positions. If the determination of the director would result in an adjustment in rates of basic pay applicable to covered positions, any action by the Under Secretary under the preceding sentence shall be made before the effective date of such pay adjustment. Upon such action by the Under Secretary, any adjustment shall take effect on the first day of the first pay period beginning after such action. The Secretary shall ensure that the Under Secretary establishes a mechanism for the timely exercise of the authority in this paragraph.

(4) Each director of a Department health-care facility shall provide to the Secretary, not later than July 31 each year, a report on staffing for covered positions at that facility. The report shall include the following:

(A) Information on turnover rates and vacancy rates for each covered position, including a comparison of those rates with the rates for the preceding three years.

(B) The director's findings concerning the review and evaluation of the facility's staffing situation, including whether there is, or is likely to be, in accordance with criteria established by the Secretary, a significant pay-related staffing problem at that facility for any covered position and, if so, whether a wage survey was conducted, or will be conducted with respect to that position.

(C) In any case in which the director conducts such a wage survey during the period covered by the report, information describing the survey and any actions taken or not taken based on the survey, and the reasons for taking (or not taking) such actions.

(D) In any case in which the director, after finding that there is, or is likely to be, in accordance with criteria established by the Secretary, a significant pay-related staffing prob-

lem at that facility for any covered position, determines not to conduct a wage survey with respect to that position, a statement of the reasons why the director did not conduct such a survey.

(5) Not later than September 30 of each year, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report on staffing for covered positions at Department health care facilities. Each such report shall include the following:

(A) A summary and analysis of the information contained in the most recent reports submitted by facility directors under paragraph (4).

(B) The information for each such facility specified in paragraph (4).

(f) Not later than March 1 of each year, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report regarding any pay adjustments under the authority of subsection (d) effective during the 12 months preceding the submission of the report. Each such report shall set forth, by health-care facility, the percentage of such increases and, in any case in which no increase was made, the basis for not providing an increase.

(g) For the purposes of this section, the term "health-care facility" means a medical center, an independent outpatient clinic, or an independent domiciliary facility.

(a)(1) Regulations prescribed under section 7451(a) of this title shall provide that whenever an employee in a covered position is given a new duty assignment which is a promotion, the rate of basic pay of that employee shall be increased at least one step increment in that employee's grade.

(2) A nurse serving in a head nurse position shall while so serving receive basic pay at a rate two step increments above the rate that would otherwise be applicable to the nurse. If such a nurse is in the highest or next-to-highest step for that nurse's grade, the preceding sentence shall be applied by extrapolation to create additional steps only for the purposes of this paragraph. The limitation in section 7451(c)(1) of this title shall not apply with respect to increased basic pay under this paragraph.

(3) An employee in a covered position who is promoted to the next higher grade shall be paid in that grade at a step having a rate of basic pay that is greater than the rate of basic pay applicable to the employee in a covered position on the day before the effective date of the promotion.

(b)(1) Under regulations which the Secretary prescribes for the administration of this section,

the director of a Department health-care facility (A) shall pay a cash bonus (in an amount to be determined by the director not to exceed \$2,000) to an employee in a covered position at that facility who becomes certified in a specialty recognized by the Department, and (B) may provide such a bonus to an employee in such a position who has demonstrated both exemplary job performance and exemplary job achievement. The authority of the Secretary under this subsection is in addition to any other authority of the Secretary to provide job performance incentives.

(2) The Secretary shall include in the annual report under section 7451(g)<sup>1</sup> of this title a discussion of the use during the period covered by the report of the payment of bonuses under this subsection and other job performance incentives available to the Secretary.

(c)(1) The Secretary shall provide (in regulations prescribed for the administration of this section) that the director of a Department health-care facility, in making a new appointment of a person under section 7401(1) of this title as an employee in a covered position for employment at that facility, may make that appointment at a rate of pay described in paragraph (3) without being subject to a requirement for prior approval at any higher level of authority within the Department in any case in which the director determines that it is necessary to do so in order to obtain the services of employees in covered positions in cases in which vacancies exist at that health-care facility.

(2) Such a determination may be made by the director of a health-care facility only in order to recruit employees in covered positions with specialized skills, especially employees with skills which are especially difficult or demanding.

(3) A rate of pay referred to in paragraph (1) is a rate of basic pay in excess of the minimum rate of basic pay applicable to the grade in which the appointment is made (but not in excess of the maximum rate of basic pay for that grade).

(4) Whenever the director of a health-care facility makes an appointment described in paragraph (1) without prior approval at a higher level of authority within the Department, the director shall—

(A) state in a document the reasons for employing the employee in a covered position at a rate of pay in excess of the minimum rate of basic pay applicable to the grade in which the employee is appointed (and retain that document on file); and

(B) in the first budget documents submitted to the Secretary by the director after the employee is employed, include documentation for the need for such increased rates of basic pay described in clause (A).

(5) Whenever the director of a health-care facility makes an appointment described in paragraph (1) on the basis of a determination described in paragraph (2), the covered employee appointed may continue to receive pay at a rate higher than that which would otherwise be applicable to that employee only so long as the

employee continues to serve in a position requiring the specialized skills with respect to which the determination was made.

(d) Whenever the director of a health-care facility makes an appointment described in subsection (c)(1), the director may (without a regard to any requirement for prior approval at any higher level of authority within the Department) increase the rate of pay of other employees in the same covered position at that facility who are in the grade in which the appointment is made and are serving in a position requiring the specialized skills with respect to which the determination under subsection (c)(2) concerning the appointment was made. Any such increase shall continue in effect with respect to any employee only so long as the employee continues to serve in such a position.

(e) An employee in a covered position employed under section 7401(1) of this title who (without a break in employment) transfers from one Department health-care facility to another may not be reduced in grade or step within grade (except pursuant to a disciplinary action otherwise authorized by law) if the duties of the position to which the employee transfers are similar to the duties of the position from which the employee transferred. The rate of basic pay of such employee shall be established at the new health-care facility in a manner consistent with the practices at that facility for an employee of that grade and step, except that in the case of an employee whose transfer (other than pursuant to a disciplinary action otherwise authorized by law) to another health-care facility is at the request of the Secretary, the Secretary may provide that for at least the first year following such transfer the employee shall be paid at a rate of basic pay up to the rate applicable to such employee before the transfer, if the Secretary determines that such rate of pay is necessary to fill the position. Whenever the Secretary exercises the authority under the preceding sentence relating to the rate of basic pay of a transferred employee, the Secretary shall, in the next annual report required under section 7451(g)<sup>1</sup> of this title, provide justification for doing so.

(f) In this section, the term “covered position” has the meaning given that term in section 7451 of this title.

When less than four hours of such tour fall between 6 postmeridian and 6 antemeridian, the nurse shall be paid the differential for each hour of service performed between those hours.

(e)(1) A nurse performing officially ordered or approved hours of service in excess of 40 hours in an administrative workweek, or in excess of eight hours in a day, shall receive overtime pay for each hour of such additional service. (iv) results from an event which could not be scheduled or controlled administratively.

(a)(1) In order to recruit and retain registered nurses, the Secretary may enter into agreements under this section. Such an agreement may be entered into with any registered nurse who is employed at, or who agrees to accept employment with the Department at, a Department health-care facility that is designated by the Secretary as a health-care facility with a significant shortage in registered nurses in any clinical service.

(2) A registered nurse entering into an agreement under this section shall agree to remain employed by the Department as a registered nurse for a period of time to be specified in the agreement and to serve during that period in a specific health-care facility that is designated by the Secretary as a health-care facility with a significant shortage of registered nurses in that nurse's clinical service. Such period may not be less than two years or more than four years. Such employment during such period may be on a full-time basis or a part-time basis, as specified in the agreement. Part-time employment as specified in such an agreement may not be less than half-time.

(b)(1) The Secretary shall pay to any nurse entering into an agreement under this section bonus pay in an amount specified in the agreement. The amount of such bonus pay may not exceed—

(A) \$2,000 per year, in the case of an agreement for two years,

(B) \$3,000 per year, in the case of an agreement for three years, and

(C) \$4,000 per year, in the case of an agreement for four years.

(2) In the case of an agreement for employment on less than a full-time basis, the amount of bonus pay shall be pro rated<sup>1</sup> accordingly.

(c)(1) Except as provided in paragraph (2) of this subsection, a bonus under this section shall be paid in equal installments after each year of service is completed throughout the period of obligated service specified in the agreement.

(2)(A) The Secretary may make a payment in an amount not in excess of 25 percent of the total bonus in a lump sum at the time that the period of obligated service commences under the agreement.

(B) If the Secretary makes a lump-sum payment under subparagraph (A) of this paragraph,

<sup>1</sup> So in original.

the remaining balance of the bonus shall be paid in equal installments after each year of service is completed throughout the period of obligated service specified in the agreement.

(d)(1) A bonus paid to any individual under this section shall be in addition to any pay or allowance to which the individual is entitled.

(2) The amount of a bonus paid under this section shall not be considered to be basic pay for the purposes of sections 5551, 5552, and 5595 of title 5, chapters 81, 83, 84, and 87 of such title, or any other provision of law creating an entitlement to benefits based on basic pay.

(e) At least once each year the Secretary, upon the recommendation of the Under Secretary for Health, shall determine the specific health-care facilities and clinical services, if any, as to which there are significant problems with respect to the recruitment and retention of registered nurses. Upon making any such determination, the Secretary shall promptly notify the Committees on Veterans' Affairs of the Senate and the House of Representatives of the determination and the basis for the determination.

(f) The Secretary may enter into agreements under this section with individuals in a health profession other than nursing (and other than a health profession for which special pay may be provided under subchapter III) if the Secretary determines that there are significant problems with respect to recruitment and retention of employees in that health profession. The Secretary's authority to enter into any such agreement under this section, and such agreement, shall be subject to the provisions of this section in the same manner as are the authority to enter into an agreement under this section with a registered nurse and such an agreement.

(g)(1) Except as provided in paragraph (2) of this subsection, an individual who voluntarily, or because of misconduct, fails to perform services as assigned by the Secretary for the period of obligated service provided in an agreement under this section shall refund to the United States the amount by which the total amount of bonus payments received by that individual under this section exceeds the amount that such individual would have received under an agreement under this section to serve for the period of obligated service actually served (as determined at the time the agreement is entered into). If the period actually served is less than two years, the amount to be refunded is the entire amount paid to the individual.

(2) An individual shall not be required to make a refund under paragraph (1) of this subsection if the Secretary determines, in accordance with regulations prescribed under subsection (h) of this section, that the individual's failure to perform services for the period of obligated service is due to circumstances (not including separation for cause) beyond the control of the individual.

(3) An obligation to refund any portion of a bonus payment under this subsection is, for all purposes, a debt owed to the United States.

(4) The provisions of this subsection and the specific amounts that the individual could be required to refund shall be disclosed to the individual at the time the agreement is entered into and shall be clearly set forth in the contract.

(h) The Secretary shall prescribe regulations to carry out this section.

Such regulations shall be published in the Federal Register for notice-and-comment not less than 30 days before the day on which they take effect.”

### § 7462. Major adverse actions involving professional conduct or competence

(a)(1) Disciplinary Appeals Boards appointed under section 7464 of this title shall have exclusive jurisdiction to review any case—

(A) which arises out of (or which includes) a question of professional conduct or competence of a section 7401(1) employee; and

(B) in which a major adverse action was taken.

(2) The board shall include in its record of decision in any mixed case a statement of the board's exclusive jurisdiction under this subsection and the basis for such exclusive jurisdiction.

(3) For purposes of paragraph (2), a mixed case is a case that includes both a major adverse ac-

tion arising out of a question of professional conduct or competence and an adverse action which is not a major adverse action or which does not arise out of a question of professional conduct or competence.

(b)(1) In any case in which charges are brought against a section 7401(1) employee which arises out of, or includes, a question of professional conduct or competence which could result in a major adverse action, the employee is entitled to the following:

(A) At least 30 days advance written notice from the Under Secretary for Health or other charging official specifically stating the basis for each charge, the adverse actions that could be taken if the charges are sustained, and a statement of any specific law, regulation, policy, procedure, practice, or other specific instruction that has been violated with respect to each charge, except that the requirement for notification in advance may be waived if there is reasonable cause to believe that the employee has committed a crime for which the employee may be imprisoned.

(B) A reasonable time, but not less than seven days, to present an answer orally and in writing to the Under Secretary for Health or other deciding official, who shall be an official higher in rank than the charging official, and to submit affidavits and other documentary evidence in support of the answer.

(2) In any case described in paragraph (1), the employee is entitled to be represented by an attorney or other representative of the employee's choice at all stages of the case.

(3)(A) If a proposed adverse action covered by this section is not withdrawn, the deciding official shall render a decision in writing within 21 days of receipt by the deciding official of the employee's answer. The decision shall include a statement of the specific reasons for the decision with respect to each charge. If a major adverse action is imposed, the decision shall state whether any of the charges sustained arose out of a question of professional conduct or competence. If any of the charges are sustained, the notice of the decision to the employee shall include notice of the employee's rights of appeal.

(B) Notwithstanding the 21-day period specified in subparagraph (A), a proposed adverse action may be held in abeyance if the employee requests, and the deciding official agrees, that the employee shall seek counseling or treatment for a condition covered under the Rehabilitation Act of 1973. Any such abeyance of a proposed action may not extend for more than one year.

(4)(A) The Secretary may require that any answer and submission under paragraph (1)(B) be submitted so as to be received within 30 days of the date of the written notice of the charges, except that the Secretary shall allow the granting of extensions for good cause shown.

(B) The Secretary shall require that any appeal to a Disciplinary Appeals Board from a decision to impose a major adverse action shall be received within 30 days after the date of service of the written decision on the employee.

(c)(1) When a Disciplinary Appeals Board convenes to consider an appeal in a case under this section, the board, before proceeding to consider the merits of the appeal, shall determine whether the case is properly before it.

(2) Upon hearing such an appeal, the board shall, with respect to each charge appealed to the board, sustain the charge, dismiss the charge, or sustain the charge in part and dismiss the charge in part. If the deciding official is sustained (in whole or in part) with respect to any such charge, the board shall—

- (A) approve the action as imposed;
- (B) approve the action with modification, reduction, or exception; or
- (C) reverse the action.

(3) A board shall afford an employee appealing an adverse action under this section an opportunity for an oral hearing. If such a hearing is held, the board shall provide the employee with a transcript of the hearing.

(4) The board shall render a decision in any case within 45 days of completion of the hearing, if there is a hearing, and in any event no later than 120 days after the appeal commenced.

(d)(1) After resolving any question as to whether a matter involves professional conduct or competence, the Secretary shall cause to be executed the decision of the Disciplinary Appeals Board in a timely manner and in any event in not more than 90 days after the decision of the Board is received by the Secretary. Pursuant to the board's decision, the Secretary may order reinstatement, award back pay, and provide such other remedies as the board found appropriate relating directly to the proposed action, including expungement of records relating to the action.

(2) If the Secretary finds a decision of the board to be clearly contrary to the evidence or unlawful, the Secretary may—

- (A) reverse the decision of the board, or
- (B) vacate the decision of the board and remand the matter to the Board for further consideration.

(3) If the Secretary finds the decision of the board (while not clearly contrary to the evidence or unlawful) to be not justified by the nature of the charges, the Secretary may mitigate the adverse action imposed.

(4) The Secretary's execution of a board's decision shall be the final administrative action in the case.

(e) The Secretary may designate an employee of the Department to represent management in any case before a Disciplinary Appeals Board.

(f)(1) A section 7401(1) employee adversely affected by a final order or decision of a Disciplinary Appeals Board (as reviewed by the Secretary) may obtain judicial review of the order or decision.

(2) In any case in which judicial review is sought under this subsection, the court shall review the record and hold unlawful and set aside any agency action, finding, or conclusion found to be—

- (A) arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law;
- (B) obtained without procedures required by law, rule, or regulation having been followed; or
- (C) unsupported by substantial evidence.
